

The Office for English Pastoral Services of the Roman Catholic Archdiocese of Montreal and the Newman Centre of McGill University present...

“DARWIN’S GIFT TO SCIENCE AND RELIGION”

Is the Catholic faith compatible with Darwin and the idea of evolution? Are science and religion natural enemies, as many authors have recently claimed? Internationally acclaimed and highly respected scientist Professor Francisco J. Ayala addresses these questions in his lecture entitled “Darwin’s Gift to Science and Religion”

When: April 3r , 5:30pm

Where: Newman Centre, 3484 rue Peel (Peel metro, or bus 24, 107, or 144).

Contact: 514-398-4106. Seating is limited – first come, first served.
