The Canadian Communion and Liberation choirs from Toronto and Montreal will accompany meditations to help introduce us to Christmas in a deeper way.

This year we are invited to answer the Urgent Call for Lebanon, a program to help Christians affected by the August 4th explosion in Beirut. All proceeds will support the campaign organized by the Aid for the Church in Need. The concert is free of charge.

Please consider a donation for this cause proposed by The En Route Foundation, a charitable corporation that sustains the missionary and educational work of CL in Canada.
