

Information – Book Sale

With the closure last fall of Montreal Franciscans' *Couvent de la Résurrection*, we are taking this opportunity to liquidate part of the general and centenary library. Over the years, and up until the creation in 1967 of the Université de Montréal's Faculty of theology, this library had been continuously enriched in many areas of study.

The Franciscans have organized a ***two-day Open House***, to take place **January 14 and 15, 2023**, offering for sale to the public the books that will not be moving with the brothers into their new residence. The community will keep only the books that represent the Franciscan heritage for consultation and research purposes. The two-day ***Open House*** will be held from **9:00 a.m. until 5:00 p.m. on January 14 and 15, at 5750 Boulevard Rosemont at the intersection of Lacordaire (H1T 2H2)**. Depending on the type and condition of the books available, we would ask for cost price or a voluntary contribution.

**For more information: Les Franciscains – (514) 259-6911 or 259-2542;
Librarians: Pierre Brunette (514) 240-4178 and Maxime Laprade (438) 580-9353.**
